CENTERRA METROPOLITAN DISTRICT NO. 2

2024 BUDGET MESSAGE

Centerra Metropolitan District No. 2 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established as the "Finance District" as part of a "Multiple District Structure" for the mixed-use development knows as "Centerra" located in the City of Loveland, Colorado. Along with its companion Districts No. 1 ("Service District") and No. 3, No. 4, and No. 5 ("Financing Districts"), this District was organized to provide construction, installation, financing and operation of public improvements, including streets, traffic safety controls, landscaping, water, sanitary sewer, storm drainage, television relay, transportation, and park and recreation facilities.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

The District's strategy in preparing the 2024 budget is to strive to provide the level of services as desired by the constituents of the District in the most economic manner possible.

General Fund

The District adopted a mill levy of 62.000 mills which resulted in budgeted property tax revenue on the assessed value (net of the tax increment) of \$73,960 and specific ownership tax revenue of \$560,766. Certain properties have been excluded from the District but retained an obligation on debt that was issued prior to exclusion. These properties are within Centerra MD No. 2 Bond, Centerra MD No. 2 Res Debt, Centerra MD No. 2 Flats, Centerra MD No. 2 Savanna Fourth, Centerra MD No. 2 Railway Flats, Centerra MD No. 2 Avenida, Centerra MD No. 2 Hunt MW, and Centerra MD No. 2 Kinston Bond which adopted debt only mill levies of 13.302 mills, 22.152 mills, 34.854 mills, 48.712 mills, 43.468 mills, 46.923 mills, 46.647 mills, and 41.277 respectively. This resulted in budgeted property tax revenue of \$33,012, \$1,948, \$135, \$67,752, \$1,799, \$442, \$257, and \$91 respectively, and specific ownership tax of \$50,927 for the purpose of paying debt obligation as discussed below under Debt. With the exception of the County Treasurer fees, all expenditures are related to the transfers to District No. 1 for overall operating costs and debt service as required by intergovernmental agreements. Budgeted expenses total \$811,089.

Debt

The District has no outstanding debt. However, property tax revenues are pledged to the Series 2017, 2018 Bonds, 2020, and 2022 Bonds for District No. 1 through a Capital Pledge Agreement.

Reserves

Centerra Metropolitan District No. 3 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established as the "Finance District" as part of a "Multiple District Structure" for the mixed-use development knows as "Centerra" located in the City of Loveland, Colorado. Along with its companion Districts No.1 ("Service District") and No. 2, No. 4, and No. 5 ("Financing Districts"), this District was organized to provide construction, installation, financing and operation of public improvements, including streets, traffic safety controls, landscaping, water, sanitary sewer, storm drainage, television relay, transportation, and park and recreation facilities.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

The District's strategy in preparing the 2024 budget is to strive to provide funding to support the level of services as desired by the constituents of the District in the most economic manner possible.

General Fund

The District adopted a levy of 5.594 mills which resulted in budgeted property tax revenue of \$41,933 and specific ownership tax revenue of \$3,392 and other revenue of \$1000 for total revenue of \$46,325. Expenditures of \$46,325 are budgeted for the purpose of paying debt obligation as discussed below under Debt. The District's minimal administrative needs are being performed by the Service District.

Debt

The District has no outstanding debt; however, property tax revenues are pledged to District No. 1 through a Capital Pledge Agreement for the Series 2017, 2018, 2020, and 2022 Bonds of the Service District.

Reserves

The District transfers all of its revenue to Centerra Metropolitan District No. 1. The emergency reserve related to this District is held by Centerra Metropolitan District No. 1.

CENTERRA METROPOLITAN DISTRICT NO. 5

2024 BUDGET MESSAGE

Centerra Metropolitan District No. 5 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established as part of a "Multiple District Structure" for the mixed-use development knows as "Centerra" located in the City of Loveland, Colorado. Along with its companion Districts No. 1 ("Service District") and No. 2, No. 3, and No. 4 ("Financing Districts"), this "Financing District" was organized to provide financing for the acquisition, construction and installation of street and roadway enhancements; enhanced street landscaping, signage, monuments, and lighting; safety protection; park and recreation improvements; and sanitation and storm drainage; and to provide the operation and maintenance of these improvements.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

The District's strategy in preparing the 2024 budget is to strive to provide funding to support the level of services as desired by the constituents of the District in the most economic manner possible.

General Fund

With the exception of the County Treasurer fees, all expenditures are related to the transfers to the Service District for overall administrative and operating expenses as required by an intergovernmental agreement. The District certified a mill levy of 15.626 mills which resulted in budgeted property tax revenue of \$3,028, specific ownership tax revenue of \$39,526 and other income of \$5,000 for total revenue of \$47,554 with \$47,554 in expenditures.

Debt

The District has no outstanding debt; however, property tax revenues are pledged to District No. 1 through a Capital Pledge Agreement for the Series 2017, 2018, 2020, and 2022 Bonds of the Service District.

Reserves

The District transfers all of its revenue to Centerra Metropolitan District No. 1 as provided for in an intergovernmental agreement between Centerra Metropolitan District Nos. 1-5. Therefore, no emergency reserve is held by Centerra Metropolitan District No. 5. The emergency reserve related to this District is held by Centerra Metropolitan District No. 1.
